

Testimonial for Naomi Holtring and Jean- Marcell Malliate and interMEDIATE

I have known Naomi and Jean-Marcel for some years now. Their organisation has presented seminars on a number of occasions to the City of Sydney Law Society, of which I am President. These seminars were well attended and highly regarded. They also presented to the Regional Presidents of the Law Society in the same highly professional manner.

I obtained the National Mediation Accreditation two years ago and I am pleased to have joined the weekly workshops. They are excellent and very informative. We practise our skills in a safe and nurturing environment.

I enjoy them immensely.

I highly recommend them to all who want to qualify as a mediator or to practise or develop their skills
